## Product Summary

### SkinCeuticals Glycolic Renewal Cleanser Gel 150ml

SkinCeuticals gentle but highly-effective, soft-foaming gel cleanser which exfoliates with a dual-acid blend and effectively cleanses impurities and removes long-wear makeup without stripping the skin of moisture.

Features of Glycolic Renewal Cleanser Gel: - Visibly brightens the skin - A visibly clear complexion - Skin appears and feels rejuvenated - Ideal for dull, discoloured or ageing skin - Dual acid-blend for optimum results - Delivers a true 8% glycolic acid to the skin - Chemical exfoliation to remove dead skin cells and help improve lines and wrinkles - Increases cellular turnover to improve skin health

Clinically proven to complement and help maintain chemical peel results.

## Product Description

### SkinCeuticals Glycolic Renewal Cleanser Gel 150ml

SkinCeuticals gentle but highly-effective, soft-foaming gel cleanser which exfoliates with a dual-acid blend and effectively cleanses impurities and removes long-wear makeup without stripping the skin of moisture.
