Product Summary

Suzan Obagi MD Cleansing Wipes - 25 pre-moistened wipes

Suzan Obagi MD Cleansing Wipes - The perfect on-the-go solution to quickly cleanse and refresh the skin.

Do you know your ABCs? SUZANOBAGIMD Cleansing Wipes include: A - Aloe to moisturise and soothe the skin B - Broccoli extract to scavenge free radicals C - Citrus Bioflavanoids with antioxidant properties that help defend against free radicals #suzanobagimd #obagiuk #antioxidants

Soft, pre-moistened, textured wipes remove excess oil, makeup, dirt and other impurities.

The combination of special ingredients provides gentle cleansing.

The Suzan Obagi MD Cleansing Wipes are hypoallergenic, non-sensitizing, non-irritating, fragrance and paraben free.

Directions:

Gently massage the face, eyelids and neck with a pre-moistened wipe to remove excess oil, dirt and impurities. Take special care around sensitive areas such as the eyes.

There is no need to rinse.

Please dispose of the wipes in an appropriate rubbish receptacle.

Do not flush.

OBAGI

Obagi Medical has over 30 years' experience, clinically proven results and is the number one physician dispensed skin care range in the world. Obagi works at the cellular level to improve fine lines, wrinkles, pigmentation, melasma, laxity and uneven skin texture.

By using this site, you confirm that you have received a consultation on the correct usage of the Obagi Medical range, that the items that you are purchasing are on the recommendation of an Obagi Specialist and that there has been no change in your skin care requirements or medical history. Many Obagi products are not suitable if you are pregnant or breast feeding, people under the age of 18 years old, have areas of broken or inflamed skin, on undiagnosed skin lesions or have certain allergies or hypersensitivities. It is recommended to use products such as tretinoin or hydroquinone for short periods only otherwise side effects may occur.

We offer free consultations and skin care advice on the whole Obagi range. If in doubt, please speak to an Obagi Specialist or arrange a free consultation at Cosmedic Skin Clinic.
